**Discussion Topics**

- Complaints Summary
- Administrative Closures Report
- Compliance Report
- RCW 18.43 Task Force Update
- Monument Removal/Replacement Response
- Response to Stuart Welsh Email
- PC Accomplishments
- Strategic Planning/Goals

## Previous Action Items:

1. Review RCW 18.43.050; RCW 18.43.080; RCW 18.43.033; RCW 18.43.030; and RCW 18.43.015 (new section) for possible recommendation of Board approved language updates. (Assigned to Task Force)
2. Move the database for questions up on priorities list and work with Ms. Moretti on researching an appropriate database. Staff is working with Diane Gallagher on putting the database of FAQs on the Board's Resource page in SharePoint. (Ongoing)

## Strategic Planning Goals:

- AIA/PE Stamping and green book resolution. That opinion was the stamping requirements should be determined by the local permitting jurisdiction. Ms. Lagerberg will send that full opinion out to members. Our board and the Architects board will be meeting with the Washington Association of Building Officials (WABO) in October to further discuss the matter. (Ongoing)
- Determine WA States direction on decoupling exam experience while maintaining the practice emphasis of the exams. WA State law do not allow for decoupling for exams which BRPELS processes applications. (Issue will be removed from monitoring)
- Mobility of licensing for Federal employees and spouse. Current processes in law, rule and policy allows for mobility of licenses thru an expedient process. (No further action at this time).
